WHAT YOU RECEIVE AS A SUBSCRIBER

Though the name has changed throughout the years from newspaper mergers and territory expansion, our local news coverage dates back to the 1870s! This long term success is due to readership support from those that have subscribed and/or purchased newspaper copies at local stores. Without this support, we would be unable to send our writers and photographers out into our communities to bring forth the news you care about the most, LOCAL NEWS!

Our weekly newspaper is mailed each week bringing you news and sports from throughout the greater Williams & Fulton County area. As a subscriber, you will also receive access to our daily news coverage online along with the emailed E-Edition arriving 24-48 hours before the print edition in the mail.

Thank you for supporting our family-owned and local Williams & Fulton County area resident operated newspaper!
